personal choice. Revision on: 09/17/2025 Revision by: Marinel Penaranda (Recreation Aide)	Social well being through to the next review. Revision on: 09/17/2025 Revision by: Marinel Penaranda (Recreation Aide) Target Date: 12/25/2025	such as listening to music, watching show on iPad and spending time with her daughter. Revision on: 09/17/2025 Revision by: Marinel Penaranda (Recreation Aide) • ASSISTANCE: Provide assistance/encouragement to get her to scheduled activities - Porter to/from location of programs of interest. Revision on: 09/17/2025 Revision by: Marinel Penaranda (Recreation Aide) • HELPFUL HINTS: Maria likes to spend most of her time in bed. The resident has also expressed an interest in listening to Portuguese music. She also enjoys watching a variety of television programs, including cooking and baking shows, travel documentaries, talent competitions, and other general entertainment. Additionally, she values spending quality time with her daughter and often requests her daughter to visit her in her room. Please utilize a translator when conversing with the resident to facilitate communication, as her primary language is Portuguese and she is able to speak and understand minimal English. Revision on: 09/17/2025 Revision by: Marinel Penaranda (Recreation Aide) • ONE to ONE: Provide her with individual visits for conversation, bedside activity, reading, and reminiscing as interested and as tolerated. Revision on: 09/17/2025 Revision by: Marinel Penaranda (Recreation Aide) • THERAPIES: Present Maria with art therapy, music therapy, aromatherapy, massage therapy, music medicine to improve comfort, attachment, identity, inclusion, occupation, and fun. Revision on: 09/17/2025 Revision by: Marinel Penaranda (Recreation Aide) • SOCIAL INTERACTION: Provide an opportunity for Maria and her daughter to spend time together, as she strongly requests to spend time with her. Revision on: 09/17/2025 Revision by: Marinel Penaranda (Recreation Aide) • MUSIC CARE APPROACH: Present Maria with the music care approaches such as Recreation Community music, Music Care Specialists, Musicking, Music Programming, and Aide Environmental Sound as interested and as tolerated.
